

U. S. PERFINS CENSUS REPORT as of January 1, 1976

by Dorothy Savage

PERFINNERS: I want to thank all of you who made this CENSUS possible, as requested in the September 1975 Perfins Bulletin. A comparison report of Censuses over the years is the best way to show the activity of Perfins Club members.

In counting, reference is the 1966 U.S. Illustrated Perfins Catalog, and Addition Illustrations 1 through 32. Eliminated in the count were blank spaces like A 28. Your total may be less than you sent me, as Schermacks are not part of the U.S. Catalog listing. However, they are separately listed in the report below. All Foreign Branch Perfins, etc., were omitted in the count within the Catalog.

*Exceeds number listed.

Among the 82 members participating in the above Census (as compared to 71 in 1969) five members listed over 5,000 types in their collections, seven others listed over 4,000, and 10 others listed over 3,000. These totals do not include Schermacks. The top collection included 5,686 of the 6,019 listed types, or 94.5% completion. The top collection of Schermacks listed 63 of the 86 types, or 73.3% completion.

In the 1969 Perfin Census, the count was 5,860. We have added 159 more to make the total as now recorded to be 6,019. Members who have reported more than the totals submitted, please submit the additions to our Perfins Catalog Chairman, K. F. Lougee, 825 Superba Ave., Venice, CA 90291. These can be photographed by our Perfins Photographer John Burns for distribution to the membership through the addition and correction sheets.

Although Schermacks are not listed in the Illustrated Catalog, 42 members of the 82 participating in this survey reported that they collect them. I think they should be placed in the catalog, instead of in a separate section by themselves.

Again, thanks for your count in making this Census possible. Wonder what the next Census will bring, as there must be many more to be recorded. A good source for the Perfins you are seeking is the Sales Department, the Club Auctions, and the Perfins Club Exchange. Vice President, Mrs. Dorothy L. Savage, 10550 Western Ave., Sp. 94, Stanton, CA 90680.
